

Half-Price ACT® Test Prep for New Customers

Supporting every student's ACT test prep journey is difficult when resources are limited, and every learner starts from a different level of readiness. ACT® Online Prep, Powered by MasteryPrep (AOP) makes it simpler. For a limited time, new customers can get a six-month subscription for half the price of a 12-month subscription. **This offer ends Feb. 28, 2027.**

With students across your state taking the ACT, effective preparation matters. AOP is a flexible, classroom-delivered program that gives educators personalized ACT prep for every student, whatever their starting point, to boost readiness and close gaps district by district.

Aligned to the ACT, AOP is a self-paced, adaptive platform that builds students' skills and confidence while giving educators tools to track progress and personalize support:

- Aligned to ACT® College and Career Readiness Standards.
- ***NEW this fall!*** Four full-length practice tests with writing prompts.
- Real-time performance insights.
- Personalized learning scaffolding.

- Flexible access, anytime and anywhere.

Start now and give students more time to prepare before spring and summer testing.
