

Thank you to everyone who preregistered for our upcoming SMCAA/BYOC Spring Roadshow.

We greatly appreciate your input in helping us finalize plans for these events.

Obviously, this is a busy time of the year for many of you, but we generated enough interest to hold the events, albeit with an altered schedule based on projected attendance. The **revised schedule** below shows finalized locations and times where we will be holding events. We do realize that by consolidating some of the locations the events may be a bit less convenient for some of you, but we really feel people will benefit from interacting with more of their peers at each location.

Please look at the revised schedule and register to attend the session that will best meet your schedule.

Event	Location	Date/Time	Registration Link
St. Louis Area	Special School District 11210 Clayton Road St. Louis, MO 63131 Room 60	April 30 th 12:30 – 3:30	http://stlspring2018.eventzilla.net

Plan on attending these sessions with lots of questions and comments, these will all be open topic Q&A type sessions. This will be a great opportunity to meet face to face and discuss how to use and utilize the many capabilities of BYOC.

Please register for your desired session by April 26th, so that we have a final number of attendees for each session.

If you have any questions, please feel free to contact either SMCAA or BYOC. BYOC's contact is Chris Trina, ctrina@schoolsoftwaregroup.com, 800.596.0735 x801.
