

# New Curriculum Directors Cohort

What does it mean to be a Curriculum Director? What am I supposed to be doing? Who can I turn to with questions? Taking on a new role can be a daunting task, and often we find ourselves with more questions than answers. If you are new to the Curriculum Director role or have found curriculum work to be added to your slate of duties, come join the SMCAA staff and fellow curriculum newbies as we embark on a journey of exploring the role and world of curriculum. This year-long event will consist of two 1-on-1 meetings done at the beginning and end of the school year, as well as virtual meetings taking place each month. All webinars will be recorded, once they have concluded you will receive a recording of the session for reference.

**Target audience:** Curriculum Directors who have been in the role for 0 – 5 years, individuals who oversee curriculum, or any individuals wanting more information on the ins and outs of overseeing curriculum.

**\*Topics may be adjusted based on the needs of the participants. \***
