

## A Deeper Look into Student Engagement

This updated webinar takes information gathered from feedback provided from participants at the “Instructional Strategies to Increase Student Engagement” webinars and goes into a deeper look at student engagement itself.

Topics covered during this workshop include the following: What IS Student Engagement? What Does Student Engagement Look like? The Relationship Between Motivation and Engagement; The Relationship Between Engagement and Teacher Clarity; Connecting to Cognitive Challenges; What Fosters Student Engagement in the Classroom; and Instructional Strategies.

Join us as we take a look at the science behind student engagement and dis-engagement and how this plays a role in how we should go about implementing various instructional strategies.

**Target Audience:** Curriculum Directors, Administrators, Instructional Coaches, content teachers looking to increase student engagement in their classrooms.
