

## Curriculum Training: Level II Moving Beyond the Basics

Having a written curriculum in place is great, but this is just the beginning. During the Level II training, we will move beyond the basics of having a solid curriculum and look at ways to ensure the curriculum is being taught with rigor and fidelity. Topics covered during this workshop include the following:

- Developing Curriculum and Assessment Handbooks
- Control and oversight of curriculum
- What it means to be an instructional leader from the curriculum viewpoint
- The importance of, and ways to help achieve, vertical and horizontal alignment
- Curriculum transparency
- Ensuring rigorous curriculum
- Monitoring curriculum results through data review

**Please bring a charged device to access workshop materials.**

**Target Audience:** Curriculum Directors, Administrators, or lead teachers assigned to the duty of overseeing curriculum
