

Let's Talk Elementary Social Studies!

Webinar

Social Studies...easily overlooked but so important to focus on. During this workshop, we will focus on what makes a guaranteed and viable Social Studies curriculum, ways to integrate Social Studies into other content areas to make the most use of our time, and how to bring Social Studies and History to life with our elementary students.

This webinar is interactive with active participation by attendees encouraged as we look at ways to discuss ways to integrate and group Social Studies standards with other content areas.
