

Let's Talk Mathematics!

Webinar

During this workshop, we will briefly revisit the Math MLS, DESE Priority Standards, and the 8 Standards of Mathematical Practice. We will dive into different ways to enhance our math curriculum and ways to beef up our math assessments through the use of DESE's Performance Indicators. Different instructional methods will be discussed, as well as the importance of having a growth mindset and productive struggle within our lessons.

This webinar is interactive with active participation by attendees encouraged.
