

Graduate Credit Syllabus

EW 51590 SMCAA – Core Processes and Development

Course Code: EW 51590

Credit Hours: 1 Credit Hour

Assignments:

After completing one or more SMCAA trainings – in person, virtual, and/or hybrid, complete the following requirements	Assignment Hours
Requirement 1: Verification of Attendance Attend a minimum of FIVE hours of SMCAA trainings. Hours may be in person and virtual trainings and workshops. List the sessions attended on a Word document and include the total number of hours.	5 hours
Requirement 2: After attending the one ore more sessions, write a 3-page overview discussing the major take-a-ways from the sessions and explaining why you feel these are critical pieces of learning. For each of these, describe how you will use this knowledge/skill to enhance your current position in your school. Use specific examples and rationales as support. Include APA references.	5 hours
Requirement 3: A key aspect of attending quality workshops is to bring back what you have learned to share with the rest of your faculty. Design a 1-hour professional development session for a group of teachers (using PowerPoint or Slides). Your slides should include overall objective, at least three-four learning activities you gathered from the sessions, a rationale for the use of these learning activities, and an action plan on how you would suggest implementing these activities and monitoring the effectiveness of these PD activities.	5 hours

All assignments must be emailed to k12pd@lindenwood.edu by the end of each semester.
